

## Principal's Message

Our students play a very important role each day as they grow, learn and build those academic and personal skills necessary to be successful individuals.

We believe that mandatory uniforms, which began 08-09, encourages a greater sense of community among all students at Bay Point. We want all children at Bay Point to learn and reach their highest potential.

In this day and age our children are being bombarded with media, others' values, as they are striving to be a part of something. They want a sense of belonging with their peers. Soccer, basketball, cheerleading, dance, all require a uniform identifying them as a part of that group. It provides them with a visual sense of pride as well as having team member goals. Technology has created chat rooms, blogs, my space, international groups, webkins videogame rooms, etc. - all offering a sense of belonging or being a part of something in addition to family.

As parents we would like to influence our children's choices as they grow older and more independent. At school we want to develop those same senses of responsibility, goal setting, and membership. There are many things we do to develop that and uniforms are one way to visually send that message of being a community of learners.

*"Teach your child to dress neatly and appropriately for school since, it is a place to work and learn."*
